Subject: Recommendation for Bridge Investment Consultancy

We, at RAMID Trading PLC, are pleased to express our heartfelt gratitude to Bridge Investment Consultancy for the invaluable support and guidance we have received over the past year. Your expertise has been instrumental in our journey toward establishing a successful business operation, particularly in the coffee export sector.

From the outset, Bridge Investment Consultancy provided exceptional assistance in setting up our office. This process involved not only selecting an optimal office location but also offering expert advice on interior design, and creating a functional and inviting workspace. The procurement of essential office equipment ensured that our team was well-equipped to operate efficiently.

Recognizing the importance of a strong brand presence, Bridge Investment Consultancy played a crucial role in developing our branding strategy, including the design of a professional logo that truly reflects our company's values and mission.

As we progressed, the focus shifted to building our team. The consultancy meticulously crafted tailored job descriptions specific to our needs, ensuring each role was aligned with our strategic goals. The intensive screening process carried out by your team was thorough and effective, resulting in the successful hiring of talented individuals who are now pivotal to our operations.

In addition, Bridge Investment Consultancy helped us establish a structured workplace by developing comprehensive manuals and workflows. Your team's commitment to training and induction ensured that our new employees were well-prepared and confident in their roles.

Moreover, navigating the complexities of licensing and legal requirements can be challenging for any business. The support provided by Bridge in this area was invaluable, allowing us to focus on our core business activities without concerns regarding compliance.

As a result of this collaborative effort, we are proud to report that RAMID Trading PLC has successfully launched its coffee export operations. Within just three months, we have exported over 20 containers of high-quality coffee to various international markets. This remarkable achievement stands as a testament to the hard work and dedication of both our team and the professionals at Bridge Investment Consultancy.

We sincerely appreciate the support and partnership we have developed with Bridge Investment Consultancy and look forward to continued collaboration as we expand our business and explore new opportunities.

Thank you for being an integral part of our journey.

Sincerely,

Abdu Yimer
